VIII. New Business:

1. **MOU for Mohawk, Adirondack & Northern Railroad** – Mr. Alexander provided a brief background stating that it was a very complicated deal involving three counties. He said that St. Lawrence County is lead on the project. He said that St. Lawrence County IDA has identified a major industrial client that will use the rail. He said the client wants clarity regarding the PILOT payment on usage since they feel the original wording is unclear. The client wants to make sure that they will not be charged for the same car that may move from one location to the next with raw materials then finished product. Mr. Zembiec added that it was also to more clearly distinguish what would be considered “stone” and what would be considered “freight”.

Mr. Aliasso noted that the percentages in the MOU don’t match those listed in the PILOT agreement. Mr. Zembiec said those numbers may have been identified prior to the renovations and then corrected.

After review and discussion, a motion was made by Mr. Warneck to approve the MOU as presented, seconded by Mr. Aliasso. All in favor. Carried.

He said that the CIDC created the Carthage Development Group to own and maintain the building that has low to moderate income housing. He said that in 2017 contamination was found and cleaned up and removed by DEC using spill funds from the Attorney General’s Office. Having since identified the source of contamination, the AG’s Office is now seeking reimbursement. Attorney Russell said that the IDA received the letter because we are in the chain of title because of the PILOT Agreement; however, noted that we do not have any financial obligations and no control. He said that his partner Tom Fucillo is working with the AG’s Office to get the IDA out of it. Mr. Zembiec said that the CDG is looking to receive an itemized bill from the Attorney General and is prepared to pay it.

NOW, THEREFORE, in consideration of the covenants herein contained, it is mutually agreed as follows:

1. (a) For the purpose of payments to be made pursuant to this Agreement, the Completion Date for the Project shall be the earlier of twelve (12) months from the date the building permit was issued for any part of the Project, or the issuance of a Certificate of Occupancy. The Company shall notify each Taxing Jurisdiction and the Agency within 30 days after the Completion Date for the Project.

$$\text{PILOT} = \text{AV} \times \text{ATR} \times \text{PR}$$

WHERE

- | | | |
|-------|---|---|
| PILOT | = | Amount of payment in lieu of taxes due to the Taxing Jurisdictions for the applicable tax year. |
| AV | = | Assessed Value of the Project Facility. |
| ATR | = | Actual Tax Rate for the respective Taxing Jurisdictions for the applicable year. |

PR = Payment Ratio as set forth in Table I for the applicable tax year.

TABLE I

Year 1 – 5 25% of all Real Estate Taxes;
Years 6 – 10 50% of all Real Estate Taxes;
Years 11 – 15 75% of all Real Estate Taxes;
Thereafter; 100% of all Real Estate Taxes;

(c) The Company shall pay, or cause to be paid the amounts set forth in Paragraph 1(b) hereof within the grace period, without penalty, applicable to taxes, assessments, special ad valorem levies, special service charges or similar tax equivalents, as the case may be, on similar property subject to taxation by the Taxing Jurisdictions during such respective tax years, subject to any late payment penalties pursuant to §874 of the Act if not made within the grace period. Any failure on the part of the Company to timely make any payments pursuant to this Agreement within ten (10) days following written notice from the Agency shall be an event of default ("**Event of Default**") under this Agreement and under the Lease Agreement. Upon such Event of Default, the Agency shall have any and/or all of the Remedies on Default set forth in the Lease Agreement. Further, upon such Event of Default, the Payments In Lieu of Tax due under this Agreement shall, upon thirty (30) days written notice from the Agency to the Company, immediately bear a Payment Ratio of 100% as such term is defined in the PILOT in Paragraph 1(b) of this Agreement until such Event of Default shall be cured by the Company.

(e) Prior to the Completion Date as defined in Paragraph 1(a) above of the Project, the Company shall pay to the Agency on the Project an amount equal to the real estate taxes and assessments on the Land for the Project as if the Land were owned by the Company and not by the Agency. The Company shall pay or cause such amounts to be paid within the grace period without penalty, applicable to taxes, assessments, special ad valorem levies, special service charges or similar tax equivalents, as the case may be, on similar property subject to taxation by the Taxing Jurisdictions during such respective tax years, subject to any late payment penalties pursuant to Section 874 of the Act if not made within the grace period.

2. This Agreement shall terminate, unless it is terminated sooner pursuant to the Lease Agreement or any other provisions of this Agreement, on a date which will be 180 months from the initial Taxable Status Date ("**Termination Date**") at which time the parties agree that the Lease and Underlying Lease for the Project Facility shall terminate. In the event

of an early termination either pursuant to this Paragraph or any other termination pursuant to this Agreement, both the Lease and the Underlying Lease shall terminate.

3. In the event that the Project Facility is transferred from the Agency to the Company, the Project Facility shall be immediately subject to taxation pursuant to Sections 302 and 520 of the New York Real Property Tax Law, as amended. However, in no event shall the Company be required to pay both a PILOT payment pursuant to the Agreement and real property taxes for a concurrent tax year or portion thereof. Therefore, should the Project Facility be conveyed to the Company and thus become taxable pursuant to New York RPTL Section 520, any payments payable under this Agreement as Payments required in Lieu of Taxes shall be reduced by the amount of any taxes which are required to be paid under RPTL Section 520 for any such concurrent tax year or portion thereof, and should such Payment-in-Lieu-of-Taxes already have been made, the Taxing Jurisdictions shall refund any such amounts owing to Company.

4. To the extent the Project Facility or any part thereof is declared to be subject to taxation or assessments by an amendment to the Act, other legislative change, or by a final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.
