B) Please provide narrative of project and the purpose of the project (new build, renovations, and/or equipment purchases). Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility): _____

Applicant proposed to develop a 4.0 MW (AC) ground mounted solar energy facility on 21 acres of a 107 acre privately owned property. The project will operate as a Community Distributed Generation project, otherwise know as a Community Solar Project. The project will allow local residents to participate in the Community Solar Program. Residents will subscribe to receive a discount on their electricity bill, which will produce an estimated total saving to residents of \$70,000 annually or \$1.8 million over 25 years.

Describe the reasons why the Agency's Financial Assistance is necessary, and the effect the Project will have on the Applicant's business or operations. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary):

The Agency's financial assistance will help mitigate the risks associated with this Project, making the Project commercially reasonable and improving the Project's economic feasibility and financeability. Without real property tax certainty, the Project cannot be financed. Absent the Agency's financial assistance, it is unlikely the Applicant will undertake the Project.

Please confirm by checking the box, below, if there is a strong possibility that the Project would not be undertaken but for the Financial Assistance provided by the Agency?

☒ Yes or ☐ No

If Yes, please provide details: Without the Agency Financial Assistance, it is unlikely this Project would be able to move forward.

If the Project could be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency: _____

Revised Date: _____, Revision #: _____

Document Date: 11/1/2018

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant? If the Applicant is unable to obtain Financial Assistance for the Agency for this project, it is unlikely the Applicant will proceed with the Project.

C) Will Project include leasing any equipment ☐ Yes or X No

If Yes, please describe:

D) Site Characteristics:

Describe the present use of the proposed Project site: The current project site is used for farming, grazing and storing of sand & gravel. Given the shallow bedrock, which results in poor overall drainage, the landowner was interested in finding another use for the land. The property is 107 acres, the proposed project site is 20 acres. The remaining land will still be grazed and used for gravel.

Will the Project meet zoning/land use requirements at the proposed location? ☒ Yes or ☐ No

If Yes, please provide local zoning reference that applies: LeRay Town Code 158-130 allows for free

standing solar systems in R1 district through site plan approval which has been obtained.

Describe the present zoning/land use: R1

Describe required zoning/land use, if different: N/A

If a change in zoning/land use is required, please provide details/status of any request for change of zoning/land use requirements:

Is the proposed project located on a site where the known or potential presence of contaminants is complicating the development/use of the property? If yes, please explain: No

Have site plans been submitted to the appropriate planning department?

☒ Yes or ☐ No

** If yes, please provide the Agency with a copy of the related State Environmental Quality Review Act (öSEQRö) Environmental Assessment Form that may have been required to be submitted along with the site plan application to the appropriate planning department. Please provide the Agency

Revised Date: _____, Revision #: _____

Document Date: 11/1/2018

with the status with respect to any required planning department approval: Site Plan Approval was granted, including a negative declaration on SEQR. A Zoning Permit has been issued.

Has the Project received site plan approval from the planning department? ☒ Yes or ☐ No.

If Yes, please provide the Agency with a copy of the planning department approval along with the related SEQR determination.

E) Has a Phase I Environmental Assessment been prepared, or will one be prepared with respect to the proposed project site? ☒ Yes or ☐ No If yes, please provide a copy.

F) Have any other studies or assessments been undertaken with respect to the proposed project site that indicate the known or suspected presence of contamination that would complicate the site's development?

☐ Yes or ☒ No. If yes, please provide copies of the study

G) Provide any additional information or details: _____

H) Select Project Type for all end users at project site (you may check more than one):

** Please check any and all end users as identified below.

** Will customers personally visit the Project site for either of the following economic activities? If yes with respect to either economic activity indicated below, complete the Retail Questionnaire contained in Section IV of the Application.

Retail Sales: ☐ Yes or ☒ No

Services: ☐ Yes or ☒ No

For purposes of this question, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

Section III Retail Questionnaire

To ensure compliance with Section 862 of the New York General Municipal Law, the Agency requires additional information if the proposed Project is one where customers personally visit the Project site to undertake either a retail sale transaction or to purchase services.

Please answer the following:

- A. Will any portion of the Project (including that portion of the cost to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site?

☐ Yes or ☐ No. If the answer is yes, please continue. If no, proceed to section V

For purposes of Question A, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

- B. What percentage of the cost of the Project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project? _____%. **If the answer is less than 33% do not complete the remainder of the retail determination and proceed to section V.**

If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:

1. Will the Project be operated by a not-for-profit corporation ☐ Yes or ☐ No.

Revised Date: _____, Revision #: _____

Document Date: 11/1/2018

2. Is the Project location or facility likely to attract a significant number of visitors from outside the economic development region (list specific County or ED region) in which the project will be located?

☐ Yes or ☐ No

If yes, please provide a third party market analysis or other documentation supporting your response.

3. Is the predominant purpose of the Project to make available goods or services which would not, but for the Project, be reasonably accessible to the residents of the municipality within which the proposed Project would be located because of a lack of reasonably accessible retail trade facilities offering such goods or services?

☐ Yes or ☐ No

If yes, please provide a third party market analysis or other documentation supporting your response.

4. Will the Project preserve permanent, private sector jobs or increase the overall number of permanent, private sector jobs in the State of New York?

☐ Yes or ☐ No.

If yes, explain _____

5. Is the Project located in a Highly Distressed Area? ☐ Yes or ☐ No

Section IV Inter-Municipal Move Determination

The Agency is required by State law to make a determination that, if completion of a Project benefiting from Agency Financial Assistance results in the removal of an industrial or manufacturing plant of the Applicant from one area of New York State to another area of the State; or in the abandonment of one or more plants or facilities of the Applicant located within the New York State, Agency Financial Assistance is required to prevent the Applicant from relocating out of the New York State, or is reasonably necessary to preserve the Applicant's competitive position in its respective industry.

Explain how the Agency's Financial Assistance is required to prevent the Project from relocating out of New York State, or is reasonably necessary to preserve the Project occupant's competitive position in its respective industry: _____

counsel, thus note that the Applicant is entitled to receive a written estimate of fees and costs of the Agency's general counsel and the Agency's bond/transaction counsel; and (2) other consultants retained by the Agency in connection with the proposed project, with all such charges to be paid by the Applicant at the closing.

- J. If the Applicant fails to conclude or consummate the necessary negotiations, or fails, within a reasonable or specified period of time, to take reasonable proper or requested action, or withdraws, abandons, cancels, or neglects the Application, or if the Applicant is unable to find buyers willing to purchase the bond issue requested, or if the Applicant is unable to facilitate the sale/leaseback or lease/leaseback transaction, then, upon the presentation of an invoice, Applicant shall pay to the Agency, its agents, or assigns all actual costs incurred by the Agency in furtherance of the Application, up to that date and time, including but not necessarily limited to, fees of the Agency's general counsel and/or the Agency's bond/transaction counsel.
- K. The Applicant acknowledges and agrees that all payment liabilities to the Agency and the Agency's general counsel and/or the Agency's bond and/or transaction counsel as expressed in Sections H and I are obligations that are not dependent on final documentation of the transaction contemplated by this Application.
- L. The cost incurred by the Agency and paid by the Applicant, the Agency's general counsel and/or bond/transaction counsel fees and the processing fees, may be considered as a cost of the Project and included in the financing of costs of the proposed Project, except as limited by the applicable provisions of the Internal Revenue Code with respect to tax-exempt bond financing.
- M. The Applicant acknowledges that the Agency is subject to New York State's Freedom of Information Law (FOIL). **Applicant understands that all Project information and records related to this application are potentially subject to disclosure under FOIL subject to limited statutory exclusions.**
- N. The Applicant acknowledges that it has been provided with a copy of the Agency's Policy for Termination of Agency Benefits and Recapture of Agency Benefits Previously Granted (the "Termination and Recapture Policy"). The Applicant covenants and agrees that it fully understands that the Termination and Recapture Policy is applicable to the Project that is the subject of this Application, and that the Agency will implement the Termination and Recapture Policy if and when it is so required to do so. The Applicant further covenants and agrees that its Project is potentially subject to termination of Agency financial assistance and/or recapture of Agency financial assistance so provided and/or previously granted.
- O. The Applicant understands and agrees that the provisions of Section 862(1) of the New York General Municipal Law, as provided below, will not be violated if Financial Assistance is provided for the proposed Project:

§ 862. Restrictions on funds of the agency. (1) No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall

determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.

- P. The Applicant confirms and acknowledges that the owner, occupant, or operator receiving Financial Assistance for the proposed Project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.
- Q. The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.
- R. The Applicant confirms and hereby acknowledges that as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the New York General Municipal Law, including, but not limited to, the provision of Section 859-a and Section 862(1) of the New York General Municipal Law.
- S. The Applicant and the individual executing this Application on behalf of Applicant acknowledge that the Agency and its counsel will rely on the representations and covenants made in this Application when acting hereon and hereby represents that the statements made herein do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein not misleading.
