Jefferson County Civic Facility Development Corporation 800 Starbuck Avenue, Suite 800 Watertown, New York 13601 Attention: David J. Zembiec, CEO

Re: Application for Reissuance of Jefferson County Civic Facility Development Corporation ("JCCFDC" Tax-Exempt Multi-Modal Revenue Bonds (Samaritan Senior Village, Inc. Project), Series 2012 (the "2012 Bonds")

Dear Mr. Zembiec:

Enclosed is an executed application for financial assistance from Samaritan Senior Village, Inc. ("SSV"), together with a short form environmental assessment form.

Please note that the proposed project consists solely of reissuance of the 2012 Bonds. Very little action is required on the part of your board to approve the reissuance. Likewise, no additional administrative oversight is required from the JCCFDC, as the bond issue already exists and there is no new money.

Under the circumstances and given that SSV previously paid an administrative fee of \$146,113 in connection with the initial issuance of the 2012 Bonds, we request that JCCFDC reduce its administrative fee to 0.25 of the outstanding principal amount of the reissued 2012 Bonds.

Please let us know if you have any questions or would like to discuss this matter.

Very truly yours,

HANCOCK ESTABROOK, LLP

The Agency acknowledges that the extensive use of local labor is not always possible. Are there circumstances such as those used in the examples below that will affect the percentage of local labor for your project?

- 1. Is there is a warrantee issue involved.
- 2. The work is so highly specialized that local labor cannot be found.
- 3. You identified a significant cost differential when using local labor.
- 4. No local labor is available.

It is the intention of JCIDA to randomly verify the use of the local workforce, using whatever method it determines is most effective. This verification may occur throughout the term of any incentive programs.

- L. Organization Financial Information Attachment:
- 1. Copies of two most recent financial statements
- 2. Copy of most recent Annual Report
- 3. Strategic Plan
- M. Environmental Information:
- 1. The JCCFDC must make a determination of environmental significance for the project. A completed NYS Full Environmental Assessment Form must be submitted.

The Bank shall cross-default any "hedge" transaction with other Loans. Early termination of swap contract may result in a cost or benefit to Borrower based on market rates at the time of termination.

Borrower acknowledges and understands that (i) notwithstanding anything to the contrary herein, the availability of any proposed LIBOR pricing terms included herein are contingent upon, among other things, the subject loan closing on or before December 31, 2021, after which date LIBOR pricing will no longer be available for newly documented loans; (ii) LIBOR is established, issued and regulated by third parties, and that its continuing existence and ongoing viability as a source and basis for establishing contractual interest rates is entirely outside the control of M&T Bank; (iii) LIBOR's Administrator, along with regulatory agencies in the United States and worldwide, have announced and/or advised that LIBOR (meaning all tenors thereof) will be discontinued as of June 30, 2023 (provided, however, that such discontinuation could occur before or after such date), (iv) in order to address the expectation of LIBOR discontinuance, the terms of any proposed loan(s) referenced herein shall include provisions (modeled after recommendations issued by the Federal Reserve-sponsored Alternative Reference Rates Committee) that contemplate the replacement of LIBOR as a benchmark index for establishing the applicable interest rate for such loans, and (v) should the actual discontinuance of LIBOR occur, any replacement index may be materially different than LIBOR, and necessitate substantive changes (arising from such differences) to the manner in which the applicable interest rate for the proposed loan(s) is calculated, applied and administered. Notwithstanding the above, Borrowerhas knowingly and voluntarily requested and/or accepted a LIBOR pricing proposal from M&T Bank, accepting any inherent risks associated with the utilization and any subsequent discontinuance of LIBOR, and hereby waives any claims or defenses against the Bank in connection therewith.
