Such consent shall be evidenced by an assignment and assumption agreement, whereby the successor entity shall covenant to keep, observe and perform, from and after the date of the assignment and assumption, all of the covenants, agreements, provisions and obligations of the Company pursuant to the Project Documents (collectively, the "Assignment and Assumption Agreement"). Such Assignment and Assumption Agreement shall be in a form approved by the Agency and the Collateral Agent shall pay or cause the Company to pay all costs and expenses of the Agency in reviewing, approving and executing same. At the time of execution and delivery of any Agency-approved Assignment and Assumption Agreement, the successor entity shall also deliver a General Certificate in the form provided by the Company in connection with this Agreement.
