ARTICLE II COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE PROJECT FACILITY.

(A) Assessment of the Project Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of a leasehold interest in the Project Facility by the Agency and the filing by the

Agency of a New York State Board of Real Property Services Form RP-412-a (a “**Real Property Tax Exemption Form**”) with respect to the Project Facility, and for so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the “**Taxing Entities**”, and each of such Taxing Entities being sometimes individually hereinafter referred to as a “**Taxing Entity**”) as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest to the Project Facility created by the Agency Lease and the filing of the Real Property Tax Exemption Forms. The Company shall, promptly following acquisition by the Agency of the leasehold interest to the Project Facility created by the Company Lease, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an “**Assessor**”). For so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Forms are filed with the Assessors. Pursuant to the provisions of the Agency Lease, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Agency Lease, and notwithstanding anything hereto to the contrary, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the

respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company to Agency for distribution to the Taxing Entities pursuant to the Agency's Uniform Tax Exemption Policy (the Agency being hereinafter referred to as the "**Receivers of Taxes**").

(B) Valuation of the Project Facility.

(1) The value of the Project Facility for purposes of determining payments in lieu of taxes due hereunder (hereinafter referred to as the "**Assessed Value**") shall be determined by the appropriate Assessors. The Company agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The parties hereto agree that the Assessors shall (a) appraise the Land in the same manner as other similar properties in the general area of the Land, but without giving effect to the Improvements (as defined herein); (b) place an Assessed Value upon the Land, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes, (c) appraise the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the "**Improvements**") in the same manner as other similar properties in the general area of the Improvements, and (d) place an Assessed Value upon the Improvements, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial determination of the Assessed Value of the Improvements and of any change in the Assessed Value of the Land or the Improvements.

(2) If the Company is dissatisfied with the amount of the Assessed Value of the Improvements as initially established or with the amount of the Assessed Value of the Land or the Improvements as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Assessed Value of the Improvements, or of a change in such Assessed Value of the Land or the Improvements, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Assessed Value of the Project Facility for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then the Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Project Facility, with respect to any proposed assessment or change in assessment with respect to the Project Facility by any of the affected Taxing Entities and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment. Any payments in lieu of taxes due

upon the Project Facility may not be withheld by the Company pending determination of the Assessed Value by the appropriate tribunal.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be computed separately for each Taxing Entity as follows:

(1) First, determine the amount of general taxes and general assessments (hereinafter referred to as the “**Normal Tax**”) which would be payable to each Taxing Entity if the Land was owned by the Company and not the Agency by multiplying (a) the Assessed Value of the Land determined pursuant to Subsection (B)(1)(a) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Land if the Land was owned by the Company and not the Agency.

(2) In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Land shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Land shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to the Land for such tax year, as determined pursuant to subsection C(1) of this Section 2.02.

(3) Next, determine the Normal Tax which would be payable to each Taxing Entity if the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the “**Improvements**”) were owned by the Company and not the Agency by multiplying (a) the Assessed Value of the Improvements determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Improvements if the Improvements were owned by the Company and not the Agency. For the avoidance of doubt, determination of the Normal Tax that would be payable with respect to the Improvements under this subsection shall be solely for reference, and the amounts payable by Company as a payment in lieu of tax with respect to Improvements under this Payment in Lieu of Tax Agreement will be determined in accordance with subsection (4) below.

(4) Notwithstanding the foregoing, specific reference is made to the Table at Schedule “1” to this Agreement, which forms the basis for the calculation of the annual PILOT Payments by the Agency. In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Improvements shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes

on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Improvements shall be in the amounts reflected on the following table with respect to the Improvements:

(5) In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which any portion of the Project Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Project Facility shall be the sum of (a) the amount due each Taxing Entity with respect to the Land for such tax year, as determined pursuant to Subsection (C)(2) of this Section 2.02, **plus** (b) the amount due each Taxing Entity with respect to the Improvements for such tax year, as determined pursuant to Subsection (C)(4) of this Section 2.02.

(6) The parties recognize that the purpose of the Project is to create or retain permanent private sector jobs in Jefferson County. Accordingly, the parties have agreed that the amount of payments in lieu of taxes payable with respect to the Addition Premises shall bear a direct relationship to the success or lack of success of the Project in achieving this goal. Therefore, as specific inducement for Agency entering into this Payment in Lieu of Tax Agreement, the Company shall retain and create the average number of full time equivalent employees (1820 hours equaling one full time equivalent employee) employed at the Project Facility or equivalent jobs set forth within the Company's Application, during the term of this Payment in

Lieu of Tax Agreement. The Company pledges commercially reasonable efforts to hire persons from the Jefferson County, New York work force. The Company shall promptly provide employment figures to the Agency as requested.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which Battery Storage is added to the Project Facility ("**Additional Facilities**") the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as "**Additional Payments**") to the Receivers of Taxes with respect to such Additional Facilities, as follows:

(E) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "**Tax Billing Officer**") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(F) Time of Payments. The Company agrees to pay the amounts due hereunder to the Receivers of Taxes for the benefit of each particular Taxing Entity in any fiscal tax year to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments. Unless otherwise indicated by the Tax

Billing Office for said Tax Entities, the Company agrees to pay annually to the Receiver of Taxes as a payment in lieu of taxes, on or before September 1 of each year beginning February 1, 2021, and thereafter February 1 of each year during the term hereof for School, County and Town Taxes, respectively, an amount equal to the annual PILOT Payments.

(G) Method of Payment. All payments by the Company hereunder shall be paid to the Receivers of Taxes in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

SECTION 2.03 CREDIT FOR TAXES PAID.

(A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Agency Lease. It is understood and agreed, however, that, should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to

determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS.

(A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY.

(A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants, and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either

directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Jefferson County, New York, and neither the State of New York nor Jefferson County, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Agency Lease).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT.

Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms “*Event of Default*” or “*default*” shall

mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay when due any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default;

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Payment in Lieu of Tax Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Payment in Lieu of Tax Agreement and (1) shall be materially adverse to the Agency at the time when the notice referred to below shall have been given to the Company and (2) if curable, shall not have been cured within thirty (30) days after written notice of such incorrectness shall have been given to a responsible officer of the Company, provided that if such incorrectness cannot reasonably be cured within said thirty-day period and the Company shall have commenced action to cure the incorrectness within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default; or

(D) A default under the Company Lease, the Agency Lease or the Project Agreement.

SECTION 4.02. REMEDIES ON DEFAULT.

(A) General. Whenever any Event of Default shall have occurred with respect to this Payment in Lieu of Tax Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the

performance and observance of the obligations, agreements and covenants of the Company under this Payment in Lieu of Tax Agreement.

(B) Cross-Default. In addition, an Event of Default hereunder shall constitute an event of default under Article X of the Agency Lease. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Agency Lease, among other remedies, the right to terminate the Agency Lease and convey the Project Facility to the Company, thus subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

(C) Separate Suits. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises.

(D) Venue. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Payment in Lieu of Tax Agreement may be brought in the courts of record of the State, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES.

Pursuant to Section 874(6) of the Act, if the Company should default in performing any of its obligations, covenants or agreements under this Payment in Lieu of Tax Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE.

(A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Payment in Lieu of Tax Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. Unless otherwise provided by amendment hereof, this Payment in Lieu of Tax Agreement shall continue to remain in effect until the earlier to occur of (1) the termination of this PILOT Agreement or (2) the date on which the Project Facility is reconveyed by the Agency to the Company pursuant to Article VII of the Agency Lease.

(B) Extended Term. In the event that (1) the Project Facility shall be reconveyed to the Company, (2) on the date on which the Company obtains the Agency's interest in the Project Facility, the Project Facility shall be assessed as exempt upon the assessment roll of any one or more of the Taxing Entities, and (3) the fact of obtaining title to the Agency's interest in the Project Facility shall not immediately obligate the Company to make pro-rata tax payments pursuant to legislation similar to Chapter 635 of the 1978 Laws of the State (codified as subsection 3 of Section 302 of the Real Property Tax Law and Section 520 of the Real Property Tax Law), this Payment in Lieu of Tax Agreement shall remain in full force and effect and the Company shall be obligated to make payments to the Receiver of Taxes in amounts equal to those amounts which would be due from the Company to the respective Taxing Entities if the Project Facility were owned by the Company and not the Agency until the first tax year in which the Company shall appear on the tax rolls of the

(g) The Agency shall, upon payment by the Company of the amounts pursuant hereto and to Sections 5.2(d) and (f) above and Section 5.3, deliver to the Company all documents furnished to the Agency by the Company, or prepared by the Agency at the sole expense of the Company, and reasonably necessary to evidence termination of the Company Lease, this Agency Lease and the PILOT Agreement, including, but not limited to, lease terminations and a bill of sale from the Agency with respect to its interest in the Equipment, without representation or warranty, subject to the following: (1) any Liens to which such Project Facility was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented or in the

creation of which the Company acquiesced, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Agency Lease.

(h) The obligation of the Agency under this Section 5.2 to convey the Project Facility to the Company will be subject to: (i) there being no Event of Default existing hereunder or under any payment in lieu of tax agreement or project agreement now or hereafter entered into with respect to all or any portion of the Project Facility or under any other Company Documents, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default; and (ii) the Company's payment of all expenses, fees and taxes, if any, applicable to or arising from such transfer.

SECTION 5.3 - RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of: (i) to the Agency in an amount sufficient to pay the sums due under the PILOT Agreement at the times and in the manner provided for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) an amount sufficient to pay the sums due under the Project Agreement at the times and in the manner provided for therein.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any amounts payable under the Project Agreement, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's lease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any of the other Agency Documents, the payment of which is not otherwise provided for under this Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel and special counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. (c) The administrative fee payable by the Company to the Agency in conjunction with this Project and the Agency's granting of Financial Assistance and all outstanding counsel fees and costs shall be paid at closing.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment,

In the event that the Company shall fail to make or cause to be made any of the payments required under this Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

SECTION 5.4 - NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein are general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any payment required by, or fail to observe any of its other covenants or agreements contained in this Agency Lease or terminate this Agency Lease, except as provided for in Section 5.2 hereof, at any time prior to the completion for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the acquisition, construction, installation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Agency Lease or the Company Lease, and in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES, AND INSURANCE

SECTION 6.1 - MAINTENANCE AND MODIFICATIONS OF PROJECT FACILITY.

The Company shall:

(a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss and damage, depreciation, ordinary wear and tear excepted;

(b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and

(c) Operate the Project Facility in a sound and economic manner in general accordance with the project description and any Plans and Specifications previously provided to the Agency.

SECTION 6.2 - TAXES, ASSESSMENTS, AND UTILITY CHARGES.

(a) The Company shall pay as the same respectively become due:

(1) Any and all taxes and governmental charges of any kind, whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility;

(2) All utility and other charges, including "service charges," incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;

(3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and

(4) All taxes, or all payments in lieu of taxes, if applicable, required to be made to the Agency under the terms of the PILOT Agreement or any other agreement with respect thereto.

(b) Subject to the terms of the PILOT Agreement, the Company may in good faith actively contest any such taxes, assessments, and other charges, provided that: (1) the Company shall have first notified the Agency of such contest; (2) no Event of Default under this Agency Lease or any of the other Company Documents shall have occurred and be continuing; and (3) the Company shall have set aside adequate reserves for any such taxes, assessments and other charges. If the Company demonstrates to the reasonable satisfaction of the Agency and certifies to the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, the Company may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by the Company or secured by the Company's posting a bond in form and substance satisfactory to the Agency.

SECTION 6.3 - INSURANCE REQUIRED.

During the term of this Agency Lease, the Company shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company.

(b) Workers' compensation insurance, disability benefits' insurance, and such other form of insurance that the Company is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the Company who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

SECTION 6.4 - ADDITIONAL PROVISIONS RESPECTING INSURANCE.

All insurance required by Section 6.3 shall be with insurance companies of recognized financial standing selected by the Company and licensed to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the Company are engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the Company as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the Closing Date, the Company shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) policies and certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the Company covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the Company shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the Closing Date.

The Company shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately

preceding paragraph, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. The Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agency Lease each year throughout the term of this Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by the Company, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

SECTION 6.5 - APPLICATION OF NET PROCEEDS OF INSURANCE.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 shall be applied as follows:

(a) The Net Proceeds of the insurance required by subsection 6.3(a) shall be paid and applied as provided in Section 7.1 hereof; and

(b) The Net Proceeds of the insurance required by subsections 6.3(b) and 6.3(c) shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6 - PAYMENTS IN LIEU OF REAL ESTATE TAXES.

The Company and the Agency have entered into a PILOT Agreement with respect to payments in lieu of real estate taxes for the Project Facility.

ARTICLE VII DAMAGE, DESTRUCTION, AND CONDEMNATION

SECTION 7.1 - DAMAGE OR DESTRUCTION.

(a) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, the Company shall promptly replace, repair,

rebuild, or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations, and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a "project" (as such quoted term is defined in the Act); and in the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) The Company shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums payable to the Agency pursuant to this Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and other Agency and Company Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts payable under this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and the other Agency Documents to the Agency shall be paid in full.

(c) If all other amounts due under this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and the other Agency Documents are paid in full, all such Net Proceeds, or the balance thereof, shall be paid to the Company for its purposes.

(d) The Company may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

SECTION 7.2 - CONDEMNATION.

(a) If title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds. (b) If title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and the other Agency Documents, shall be applied to payment of all amounts due to the Agency under this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any and all amounts payable under this Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes. (c) The Company with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

SECTION 7.3 - ADDITIONS TO PROJECT FACILITY

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII SPECIAL COVENANTS

SECTION 8.1 - NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS"

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY, OR FITNESS OF THE PROJECT FACILITY, OR ANY PART THEREOF, OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. (2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under this Agency Lease, the Company Lease or any other documents executed by the Agency at the direction of the Company in conjunction with the Project Facility;

(3) All claims arising from the exercise by the Company, and or its Additional Agents (as defined herein) of the authority conferred upon it and performance of the obligations assumed under Section 4.1 hereof;

(4) Any and all claims arising from the non-disclosure of information, if any, requested by the Company in accordance with Section 11.14 hereof;

(5) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct)

on the part of the Agency or any of its officers, members, agents (other than the Company), servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportional liability.

(b) In the event of any claim against the Agency or its members, officers, agents, (other than the Company) or employees by any employee of the Company, or any materialman or Additional Agent of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company) or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

SECTION 8.8 - DISCHARGE OF LIENS AND ENCUMBRANCES.

During the term of this Agency Lease, the Company hereby covenants that, except for Permitted Encumbrances, the Company agrees not to create, or suffer to be created, any Lien on the Project Facility, or any part thereof without the prior written consent of the Agency.
