WHEREAS, pursuant to and in accordance with Section 859-a of the Act, the Agency desires to schedule and conduct a public hearing (the "Public Hearing") relating to the Project and the proposed Financial Assistance; and

Section 5. Harris Beach PLLC, as General and Transaction Counsel for the Agency, is hereby authorized to work with counsel to the Company and others to prepare for submission to the Agency of all documents necessary to effect the foregoing authorizations.

Minutes: Motion was made by Mr. Dutton, seconded by Mrs. Latremore to approve the minutes of the March 3, 2021 meeting. All voted Aye, carried.

Correspondence: None

Village of Carthage Business – Chris & Jeff Loomis were in attendance to get direction on what is needed to put an addition on their home for her mother. Zoning law currently calls for 15' setback from the property line. The addition will be closer than that to the neighbor's property. After discussion, it was noted that this needs to be a lot line adjustment to begin with the neighbor submitting the application. Loomises will follow up with the neighbor.

Village of Deferiet Business: Mr. Storms has signed the paperwork and map for the lot line adjustment for the parcel obtained from the Village of Deferiet to a private owner.

Town of Wilna Business:

- a.) Regarding the O'Connor subdivision on NYS Rt. 3, it was noted that there will be a modular home placed on the property. The Board having had no issues with the project, a public hearing was set for May 5, 2021 at 5:00 p.m.
- b.) Regarding the Buskey subdivision on Avery Road, the Board having had no issues with the project, a public hearing was set for May 5, 2021 at 5:00 p.m.
- c.) Regarding Wilna Solar project at 42459 County Rt. 41, Natural Bridge, NY John Reagan of RIC Energy was present to answer any questions. He noted that Fort Drum has no issues with this project. The SEQR application Parts 2 and 3 were reviewed, and upon motion by Mr. Florence, seconded by Mr. Dutton, it was voted that there is no negative issues with this project,

therefore, a Negative Declaration was approved. All voted Aye, carried. Motion was made by Mrs. Latremore, seconded by Mr. Dutton, to approve a Special Use Permit be issued to RIC Energy for this project. All voted Aye, carried.

The subject of the Decommissioning Bond was brought up, and the amount of the bond would be for \$200,295 based upon the cost estimate of decommissioning this project at the end of life cycle. This cost estimate would be reviewed every three years and the bond amount adjusted accordingly. The Town Board will need to approve the Bond amount at their next meeting on April 12, 2021.

- d.) Steve Gamble was present to propose a lot line adjustment with his neighbor on NYS Rt. 3. He provided a survey map drawn by Moncrief Land Surveying. The paperwork will be given to the Zoning Officer, Terry McKeever, and reviewed. This matter was tabled until the next meeting.

Other Business: Mr. Storms brought up a matter regarding a letter that the Jefferson County Agricultural Board sent to Scott Gray, Chairman of the County Board of Legislators. It regards placing solar projects on what is now prime agricultural soil sites. It encourages that future solar sites be placed on brownfield sites, former landfills, and such sites of that nature, discouraging the use of prime agricultural sites. The Board will ask the Town Board for a letter of support to the County regarding these issues.

Next Meeting: May 5, 2021 at 5:00 p.m. This will be IN PERSON at the Town Offices at 414 State Street, Carthage, NY, with two public hearings held just prior to the regular meeting.

There being no further business to come before the Board, a motion was made by Mr. Dutton, seconded by Mr. Storms, to adjourn. Meeting adjourned at 6:00 p.m.

Respectfully submitted:

(D) The Project will result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing

such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries. The Agency authorizes the issuance of notice letters to applicable municipal officials in accordance with the Act.

Section 2. The proposed financial assistance being contemplated by the Agency includes (a) an exemption from all State and local sales and use taxes with respect to qualifying personal property included in or incorporated into the Facility or used in the construction and equipping of the Facility; (b) mortgage recording tax exemption for project financing; and (c) a partial real property tax abatement through the execution of an agreement with the Agency regarding payments in lieu of real property taxes to be made for the benefit of the Affected Tax Jurisdictions.

Section 4. The Agency hereby authorizes the scheduling and conduct a public hearing in compliance with the Act.

Section 5. Harris Beach PLLC, as General and Transaction Counsel for the Agency, is hereby authorized to work with counsel to the Company and others to prepare for submission to the Agency of all documents necessary to effect the foregoing authorizations.

Section 7. These Resolutions shall take effect immediately.

WHEREAS, the Town of Lyme Planning Board (the "Planning Board"), acting as "lead agency" (as such term is defined under SEQRA), previously reviewed the Project pursuant to SEQRA and issued a "negative declaration" (as such term is defined under SEQRA) with respect to the Project (the "Negative Declaration", a copy of which, along with related Environmental Assessment Form, or "EAF"), is attached hereto as Exhibit A; and

WHEREAS, the Agency desires to (i) accept the Application, (ii) authorize the scheduling and conduct of a public hearing pursuant to and in accordance with the Act, and (iii) negotiate, but not enter into an Agent and Financial Assistance and Project Agreement (the "Agent Agreement"), a Lease Agreement (the "Lease Agreement"), a Leaseback Agreement (the "Leaseback Agreement"), a Payment-in-Lieu-of-Tax Agreement (the "PILOT Agreement"), and related documents with the Company.

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby creating significant employment opportunities and critical investment in Jefferson County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) Based upon a review of the Application, EAF and the Negative Declaration submitted to the Agency, the Agency hereby:

(i) consents to and affirms the status of the Planning Board as Lead Agency for review of the Project, within the meaning of, and for all purposes of complying with SEQRA; and

(ii) ratifies the proceedings undertaken by the Planning Board pursuant to SEQRA with respect to the construction and equipping of the Project pursuant to SEQRA, including the Negative Declaration; and

(iii) Based upon the review by the Agency of the EAF, Negative Declaration and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (a) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (b) the Project will not have a "significant effect on the environment" (as such quoted term is defined under SEQRA); and (c) no "environmental impact statement" (as such quoted term is defined under SEQRA) need be prepared for this action. This determination constitutes a "negative declaration" (as such quoted terms are defined under SEQRA) for purposes of SEQRA.

Section 2. The proposed financial assistance being contemplated by the Agency includes (i) an exemption from all state and local sales and use taxes with respect to the qualifying personal property included within the Project or used in the acquisition, construction or equipping of the Project, (ii) a mortgage recording tax exemption for project financing and (iii) a partial real property tax abatement through the execution of an agreement with the Agency regarding payments in lieu of real property taxes to be made for the benefit of the Affected Tax Jurisdictions.

Section 3. The Chairman, Vice Chairman, and/or the Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to negotiate the terms of the Agent Agreement, Lease Agreement, Leaseback Agreement, PILOT Agreement, and related documents; *provided*, the provisions of the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 4. The Agency hereby authorizes the scheduling and conduct a public hearing in compliance with the Act.

Section 5. Harris Beach PLLC, as General and Transaction Counsel for the Agency, is hereby authorized to work with counsel to the Company and others to prepare for submission to the Agency of all documents necessary to effect the foregoing authorizations.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Full Environmental Assessment Form
Part 2 - Identification of Potential Project Impacts

Agency Use Only [If applicable]

Project :

Date :

Part 2 is to be completed by the lead agency. Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency's reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency and the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

Tips for completing Part 2:

- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer "Yes" to a numbered question, please complete all the questions that follow in that section.
- If you answer "No" to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box "Moderate to large impact may occur."
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the "whole action".
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project.

Full Environmental Assessment Form
Part 3 - Evaluation of the Magnitude and Importance of Project Impacts
and
Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

Determination of Significance - Type 1 and Unlisted Actions

SEQR Status: ☒ Type 1 ☐ Unlisted

Identify portions of EAF completed for this Project: ☒ Part 1 ☒ Part 2 ☒ Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the
Town of Lyme _____ as lead agency that:

☒ A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

☐ B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.7(d)).

☐ C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE JEFFERSON COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(B) It is desirable and in the public interest for the Agency to (i) acquire title to or other interest in the Land, the Improvements and the Equipment constituting the Facility, (ii) lease or sell the Agency's interest in the Land, Improvements and Equipment constituting the Facility to the Company pursuant to a lease agreement or sale agreement, and (iii) enter into a Straight Lease Transaction with the Company; and

(D) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. Subject to (i) the Company executing the Agent Agreement and/or Leaseback Agreement, and (ii) the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, renovation, construction, reconstruction, rehabilitation and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; *provided, however*, the Agent Agreement shall expire on December 31, 2023 (*unless extended for good cause by the Executive Director of the Agency*).

Section 3. The Chairman, Vice Chairman and/or Executive Director (or Deputy Executive Director) of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, Lease Agreement, Leaseback Agreement, PILOT Agreement, PILOT Mortgage, and related documents with such changes as shall be approved by the Chairman, Vice Chairman, the Executive Director and counsel to the Agency upon execution.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
