Re: Hale's Bus Garage LLC to Jefferson County Industrial Development Agency

Premises: 1067 Marble Street, Watertown, New York 13601

Dear Steve:

Please accept this correspondence as a follow-up to our telephone conversation of Wednesday afternoon, February 21st. Thank you for taking the time to speak with me.

I have asked my staff to prepare the requisite exhibits to complete the Agency documents provided. I find the document submissions satisfactory subject to the following:

I was able to secure and review copy of the application submitted by my client. In discussing the application with him, in conjunction with the Project Agreement, it became readily apparent that Mr. Hale did not understand the computations in relation to the job hiring requirements. In addition, there is an inconsistency in subparagraph "M" regarding the project employment.

Mr. Hale interpreted the full time jobs provision of 30 to mean the total number of jobs (i.e., retained jobs and newly created jobs). So there is no misunderstanding, this was intended to mean he would be retaining 20 jobs and creating the equivalent of 10 new full time jobs. This also needs to be brought in line with the paragraph below where it is stated there are a total of 25 jobs to be retained and created.

In light of the foregoing, I believe the Project Agreement needs to be amended to reflect the creation of 10 new full time jobs over the 3 years so as to not inadvertently create a default under the terms of the recapture provisions of the agreement.

Please advise.

Sincerely,

FELT EVANS, LLP
